

# A TYPICAL DAY FOR THE PRESIDENT

Running for president can be a lot of work. But once the president is elected, then what?

Hi! It's Ms. Oates again!

It is your task to write a journal or diary entry as if you were the President of the United States and talk about a typical day at work.

## Directions:

First, choose any one of the forty-three presidents of the United States. Then, use various sources to research the many accomplishments and daily tasks of this president.

Include items such as visiting foreign nations, giving speeches, setting up new laws, appointing ambassadors, and more. Remember to be creative!

When you have finished your diary entry (about 2-3 pages in length)

be ready to discuss your diary and read it to the class!

Use the space below to write down and outline your ideas.

The president I am researching is: \_\_\_\_\_
